

On behalf of one of our clients, a medical device company based in the Canton de Vaud, we are seeking a:

Senior Legal Counsel
Temporary contract – 8 months

Responsibilities

- Provide strategic legal advice and support to business units, functions and regions
- Draft, analyze and review commercial transactions with an eye for legal and business issues and an aim to balance risk and rewards
- Interface with business partners and with internal and external attorneys
- Act as a legal partner to strategic sourcing and manufacturing operations
- Work proactively and closely with the different business stakeholders

Profile

- Law degree and admission to practice as a lawyer
- At least 6 years' experience as in-house counsel or as an attorney in an international law firm, with a strong focus on contracts
- Experience in negotiating complex contractual transactions (e.g., manufacturing, supply, R&D)
- Experience within a life science/healthcare organisation is an asset
- Fluency in English is required, another language is a plus
- Excellent oral and written communication skills
- Strong business acumen
- Ability to manage and lead complex projects
- Strong time management skills and ability to prioritize
- Collaborative, proactive, solution-oriented
- Enthusiastic, passionate, driven professional
